

Mill Valley Middle School Panther Café

How to register your child:

Please note—if your student was in attendance last year at Mill Valley Middle School and you ordered lunches after Feb 2009 you will **not** need to re-register, please use the log in and password you set up last year and update your child's grade level. New to the District, or families who have not previously used Revolution Foods lunch program will need to register and create a profile account. Sixth Grade families who would like to move their account from elementary school to MVMS should- log in, click on the "Change School" link, enter the MVMS School Code, and then follow the directions to change your student's grade level listing. Families who qualify for the Free/Reduced Lunch program should contact the school office for information. If you cannot remember your information from last year, contact Revolution Foods and they will email you your information. Additional questions to the Lunch Program coordinator at Mill Valley Middle School: jlynn@mvschools.org

1. Log on to MVMS Middle School web site www.mvschools.org/ms
2. Select Panther Café Page
3. Click onto the Revolution Foods link
4. New parents, click register online
5. Enter contact information, choose a user name and password, and hit Register
6. Enter child's name and Mill Valley Middle School Access Code. Contact the school office for the access code- for security reasons it is not posted online. If your family qualifies for the federal free or reduced lunch program, please call the school office to request that specific access code.
7. Choose "grade." (by selecting from the drop down options)
8. Choose "class". (by selecting from the drop down options) to get the Panther Café window your child will go to – to get his/her lunch – based on grade and first letter of last name (e.g. for 7th grader Sue Green, choose; 7th – Window 4 (Room A-G))
9. Click save student.
10. Add another child or click continue. You may now begin to order lunches.
